

Tuolumne Stanislaus IRWM - Project Worksheet Cover Letter

Interested Project Proponents,

The attached Project Worksheet will be used by the Tuolumne Stanislaus Integrated Regional Water Management group (T-S IRWM) to accept new projects into the plan, score projects, and choose projects for grant applications. In order for a project to be eligible for grant funding the project proponent must be a member of the T-S IRWM Watershed Advisory Committee and have adopted the T-S IRWM Plan.

Any project submitted to the T-S IRWMA must entirely COMPLETE the attached worksheet in order to be added to the T-S IRWM Plan. The T-S IRWMA Administrator may drop a project from consideration if the project's worksheet is not complete.

For additional details on grant application eligibility please refer to the T-S IRW Plan. In order to complete the Project Worksheet proponents may need to reference the following documents for detailed information:
